

# Privacy Policy

Bearings & Components, Inc would like to thank you for taking the time to browse our web site. Below is our privacy policy.

## **E-mail Communications**

We receive confirmation when you open e-mail from Bearings & Components, Inc if your computers support these capabilities.

## **Information You Give Us**

We will never rent or sell your information to any third parties, we only use the information we collect from you to convey your order information, or to send you e-mails at your request.

## **Automatic Information**

While Bearings & Components, Inc does not employ the use of "cookies," search engines such as Google and Yahoo may place a cookie on your computer to help us determine user accessibility, search patterns, web site use and digital marketing strategies.
